

STATEMENT OF INTEREST
FOR STREET LIGHTING

Board of Trustees
Harrison Township
Montgomery County
State of Ohio

Trustees:

The undersigned, being the owner of the street address, _____

_____ (If you own more than one lot, please list all addresses) is interested in having street lights installed in the neighborhood, the cost of which would be paid by special assessment.

I understand that by signing this statement of interest, I am requesting the Trustees of Harrison Township to design a special assessment district for the installation of street lights and determine the cost of each property.

I understand that this document does not obligate me to support the special district at this time, but if the majority of the property owners within the proposed district petition the township to proceed with lighting, I could be assessed for my fair share of the cost.
