home:

Do Not Sign This Form If You Have Not Received Your Smoke Detector—Office Use Only

- Please note that once you take ownership and have received your smoke detector from the Harrison Township Fire Department, you become the sole person responsible for its maintenance and operation. You Must be responsible for at least monthly testing and changing the battery twice a year or any other time that the detector requires maintenance. If any problems occur with this device please feel free to contact Harrison Township Fire Department for questions or concerns, however we are not responsible for repairs or replacement of damaged or nonfunctioning equipment.
- By signing this agreement, you witness that all of the above information is correct and that you have received a working smoke alarm from a representative of the Harrison Township Fire Department. You further agree to continue the required maintenance and upkeep of the device as recommended by the manufacturer and the Fire Department. You understand that it is not the responsibility of the Harrison Township Fire Department to maintain this device, but rather your own.
